

I am concerned about  
Sinclair  
Broadcasting using  
the public airwaves  
to electioneer with  
their program  
"Stolen Honor."  
Media stations are  
supposed to serve  
the public interest,  
but with weakening  
media ownership  
rules, the public is  
becoming  
increasingly exposed  
to big business and  
political interests  
rather than  
journalism.

Please do whatever  
is necessary to  
preserve the  
communications  
portion of our  
democracy.

Thank you for your  
attention.
